How to Get There

From Copenhagen Airport by Taxi

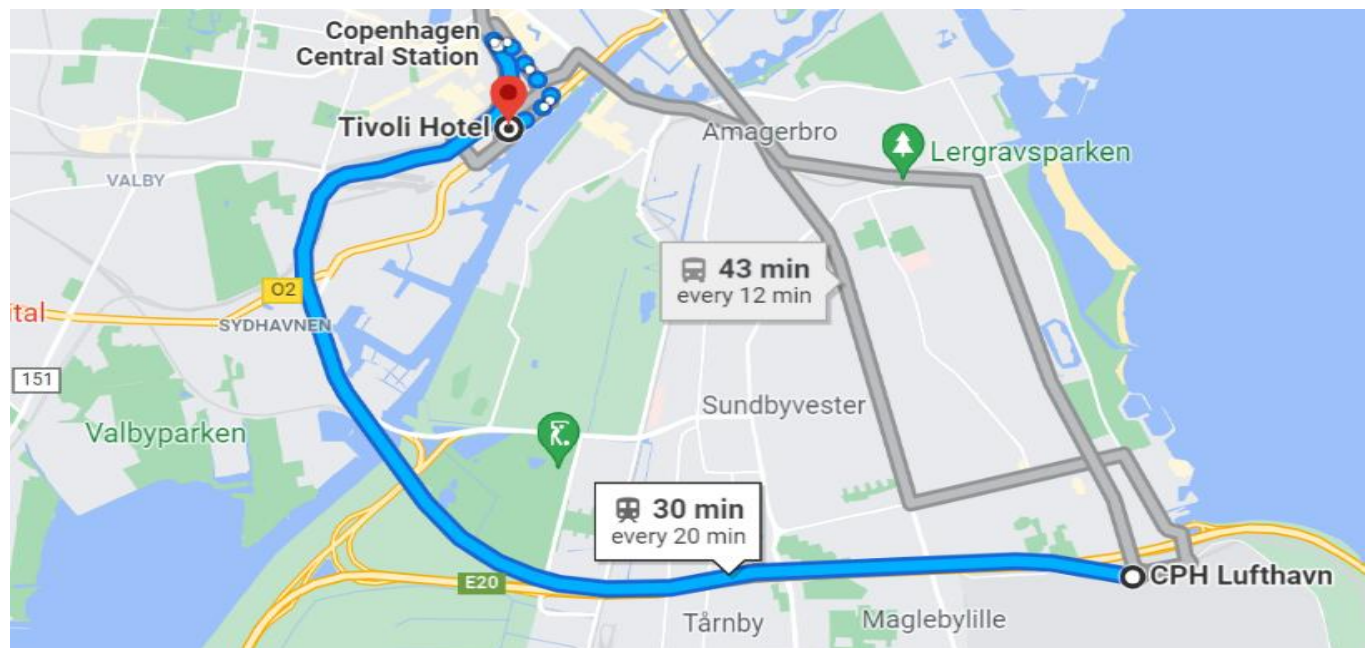

Tivoli Hotel & Congress Center (THCC) is located 13 km from Copenhagen Airport. Take any of the taxis outside the Arrivals terminal – the ride will take around 20 minutes and costs around 350 DKK / 50 EUR.

From Copenhagen Airport with Public Transport

The easiest way is to take a train to Copenhagen Central Station. When you walk out of the arrivals hall, walk straight ahead for about 50 meters. You will find the ticket sales on your right – before you reach the elevators / stairs. The entrance to the train platform is on your right.

A one-way ticket costs around 36 DKK / 5 EUR – (3-zone ticket). Buy the ticket at the ticket sales – it is not possible to buy the ticket on the train or at the platform. Tickets are also valid for buses and the metro.

The trains depart every 10 minutes from Copenhagen Airport to Copenhagen Central Station during the day. In evening hours, it will be every 20 minutes, and during the night just once an hour. It will only take 15 minutes to get to Copenhagen Central Station by train.

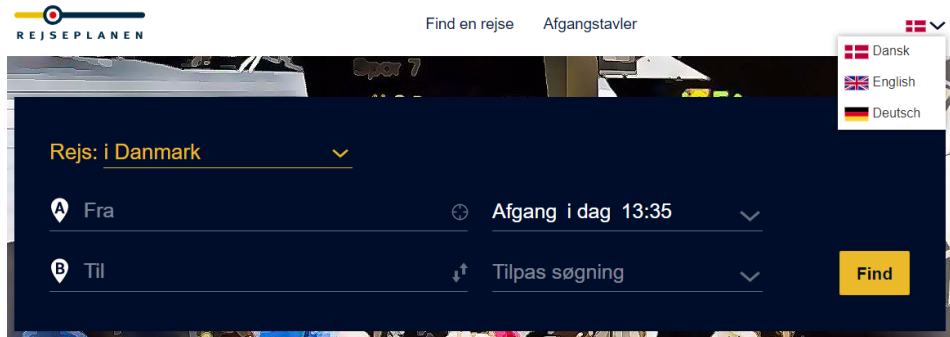

Alternatively, you can also take the metro to THCC (though you will need to change lines at Nørreport to København H).

From Copenhagen Central Station

THCC is a 10-minute walk from Copenhagen Central Station.

Parking

In collaboration with Hotel Wakeup Copenhagen, THCC offers a video-monitored car park for hotel guests. The car park is located between the two hotels on Kristian Erslevs Gade 1 and have direct access to THCC through the basements. The Parking facilities are administrated by an external collaborator, One Park. Please note that THCC cannot guarantee availability. Furthermore, it is not possible to book parking space in advance.

Please find the updated rates and conditions here: <https://www.tivolihotel.com/facilities-and-services/parking>

Access for Deliveries and Trucks

For deliveries made during the set-up period, please note the following:

- Access to the loading bay is possible during the set-up period on Wednesday 7 May from 13:00 – 17:00
- Drivers of delivery vehicles must access the loading bays via an ancillary access road (**Kristian Erslevs Gade**) behind THCC (next to the Garage exit) that leads directly to the loading/unloading area. The bays, in turn, lead directly to the back of the stages in the Congress Hall and to the Exhibition area.
- The ancillary access road is for loading/unloading only. No parking is allowed on this road.
- THCC has a small pallet jack which can be borrowed upon request for transporting goods to your stand.
- The area for unloading is on ground level and is directly accessible from the exhibition's corridors.
- Please ensure that deliveries are not packed onto anything larger than a European-size pallet (80 cm x 120 cm) as the dimensions of the freight door are **160 cm wide** and **210 cm tall**.
