

Dr Ryan Coster, of Moncton, New Brunswick, serves as Vice President and North American director for the World Federation of Chiropractic, and is President of the provincial New Brunswick Chiropractors' Association. A graduate of Macquarie University, Australia, Dr Coster graduated *summa cum laude* and received the Student of the Year (Dux) Award. He was also a recipient of the Chiropractic Association of Australia's Academic Excellence Award. Dr Coster has completed additional postgraduate training in business administration (MBA) from Mid-Sweden University, Östersund, where he majored in organizational management.

He is a strong advocate of evidence-based practice and has previously served on the Board of Chiropractic Australia. In 2022, Dr Coster was awarded the Queen Elizabeth II Platinum Jubilee Medal for outstanding contributions in the field of healthcare, and in 2024 was presented with the biennial Public Service Award from the Canadian Chiropractic Association. With a strong passion for board governance, he has completed the Chartered Director designation course and thoroughly enjoys serving the profession.
